DIRECTIONS TO:

Illinois Corn Marketing Board Office Illinois Corn Growers Association Office

The ICMB/ICGA office is located off Route 9 about 2 miles west of the I-55 I-74 / Route 9 Intersection. To get here, take Interstate 55 north or south to Bloomington (I-55 and I-74 are the same road around the west side of Bloomington). Take the Route 9 West exit.

After passing the Farm & Fleet store on your right, the next landmark is the stop light at Mitsubishi Motorway. Continue west on Route 9 about one mile and you will first see Motion Industries and the DeKalb facility on your right. Turn right at that road, which is Carole Drive. ICMB/ICGA is the second building on the right. We have a corn mailbox by our drive.
